**ARMY PUBLIC SCHOOL BIRPUR

Dear Parents,

An effective school planner is crucial for a structured and productive learning environment, as it helps students stay focused, prioritize tasks and take ownership of their learning.

This year's school planner has been thoughtfully designed to inculcate fundamental human values such as compassion, forgiveness, cooperation, and justice, among others. These values are gradually eroding from today's society and, therefore, need to be reinforced among the younger generation.

The school has made a solemn effort to instill these virtues in our students through various activities planned each month in the new academic session calendar.

As the acclaimed human rights activist Malcolm X aptly said, "The future belongs to those who prepare for it today."

AIMING SUSTAINABILITY

PROMOTING ETHICS
