Children, Its vacation time again! Sit and play in the sun for some time. During this Covid Time, stay indoors and do some interesting and innovative activities to make your vacation fruitful.

Follow your regular bed time schedule. Observe silence time and do simple yoga exercises to keep yourself fit. Learn to dress up yourself, button up your shirt and tie your shoe- laces. Cherish and celebrate happy moments together with your family and dear ones. You feel happy when you spread love and warmth everywhere. Care and share with the underprivileged to bring a smile on their faces in this difficult time. Look after your health, hygiene and nutrition and do not forget to love yourself.

H.W- Read and revise the lessons from 1 to 4 .

NOTE- Children can write articles, riddles, fun facts, draw any drawing, stories etc. for school magazine. It is time to discover your hidden talent during vacations. So everything should be original .
