## 7. SUBJECT : COMPUTER (IT)

A. In your IT notebook, list at least 20 shortcut keys and learn them.

## 8 SUBJECT : ART

Draw & colour a landscape or any flower on BLACK SAND PAPER using OIL PASTEL or CRAYON colours. (Examples given below)

NOTE:-

- Size of Sandpaper – A4 or bigger.
- Make sure the art work is neat & presentable.
- Write your name, class, sections at the backside of the sandpaper

**How to draw :** First draw flowers or a landscape lightly with a pencil on a sand paper . Then start filling the dark colours, followed by medium tones and then lighter tones. In the last step, use white and black according to the painting. Blend the colours lightly using oil pastels or crayon colours. Do not use fingers for mixing.
